

Cooperation Agreement Collaborative Service Clubs of Curaçao

Willemstad, January 26st 2021

The Collaborative Service Clubs of Curaçao come to agree to support a worthy cause for the good and the better of the Curaçao society.

The cause identified that carries our common approval is the prevention of unwanted and teenage pregnancy in Curaçao.

The organization identified worthy of this support is the Foundation Famia Plania.

The objective of the raised funds is to improve conditions for the Foundation to be more effective in decreasing unwanted and teenage pregnancy on Curaçao.

Secondary to this objective is that the Collaborative Service Clubs of Curaçao want to show our community that collaboration is possible on our island during trying times.

A collection of approximately seven handwritten signatures in blue ink, arranged in a loose horizontal line at the bottom of the page. The signatures vary in style, with some being more stylized and others more legible.
